SUBJECT: HPSCI Staffer Leon Fuerth's Request for a Full Committee Briefing on Soviet Nuclear Options

1. Leon Fuerth telephoned me on 22 February to request a full Committee briefing on Soviet Nuclear Options to be held on 9 March 1983. In light of the numerous topics to be covered, Mr. Fuerth believes that a morning and afternoon session maybe necessary.

3. Mr. Fuerth has been briefed on these issues by SOVA and has an in-depth knowledge of the material. He has found these exchanges extremely profitable and has asked that the major participants from the previous sessions brief the Committee. In preparation for the 9 March session, Thomas K. Latimer, Staff Director and Chief Counsel Mike O'Neil have requested an informal pre-brief to be held at HPSCI.
